RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

(If short insert here; if lengthy write on separate sheet and attach.)

Violation #1: The defendant admitted consuming "three" alcoholic beverages on February 27, 2013. The defendant, at her residence, was observed consuming an alcoholic beverage by this officer while conducting an unannounced home contact.

Violation #2: On February 27, 2013, the defendant, at her residence, was in possession of at least six open cans of beer located in the defendant's residence.

Violation #3: On April 4, 2013, an unannounced home contact was attempted at the defendant's residence. Upon arrival, the undersigned officer observed an individual quickly get up from the couch inside the residence and run to the back of the home. When the undersigned knocked on the door to the residence, an unknown individual opened the door. The defendant's daughter was in the home and became very combative when this officer inquired as to the defendant's whereabouts. I further asked if the defendant reported for treatment, to which the defendant's daughter replied "yes." At this point, the daughter became belligerent and yelled expletives at the undersigned.

Violation #4: After departing the residence, the undersigned reported to the treatment agency to confirm the defendant reported as scheduled. I was informed that Ms. Laducer failed to attend her appointment last week, however, had rescheduled to report today. It was reported that Joanne Laducer failed to report for her appointment to treatment this date.
